

SECTION / About

LET'S TALK CLARY

At Clary Sage College our goal is to start you on the path to your dream career in industries like Cosmetology, Barbering, Fashion Design, Interior Design, or Massage Therapy. Through a fun and memorable learning experience, we'll help you master the skills you need to do what you love. Why? Because we know career education changes lives and we believe everyone should have a chance to live their dreams.

What sets us apart?

- Our Experienced and Creative Instructors ([link to FACULTY page](#))
- Ultra Modern and Fully-Equipped Labs and Salon Floor ([link to FACILITY photos](#))
- Guest Lectures and Skype Sessions with Professional Artists and Celebrity Stylists ([link to CLARY EXPERIENCE page](#))
- Portfolio-Building Opportunities ([link to CLARY EXPERIENCE page](#))
- Comprehensive Career Counseling and Assistance ([link to CAREER SERVICES section](#))

A Clary education is about more than training for a job, it's about becoming an artist.

When we say *we're kind of a big deal*, it's because we are. Literally. Our campus boasts 13,000+ square feet and each classroom and lab presents an opportunity to master a new skill. Our campus houses a hair salon where our phase III Cosmetology students get first-hand experience of performing services on clients from the community. We also have an all-inclusive nail salon, beautiful, tranquil massage and esthetics spa areas and state of the art fashion and interior design labs.

Our students dive right in, working on portfolio-building projects and showcase events like hair competitions, fashion shows and photoshoots all before graduating.

Speaking of graduation? Yeah, that's a pretty big deal, too. Each year we host a large, formal graduation to truly celebrate and honor our students' accomplishments. Last year, that celebration came complete with a confetti canon - a necessity if you ask us!

WHAT IS COMMUNITY HIGHER ED?

Clary Sage College is a private, non-profit institution. Community HigherEd is our parent company, a 501(c)(3) non-profit corporation with the mission to advance the purpose of our college. The incredible fundraising efforts our students get to be a part of, like our yearly fashion show, feed right back into the scholarship fund at Community HigherEd, directly impacting the lives of our students.

To learn more about the non-profit, and how your gift can impact the lives of students for years to come, click here ([link to COMMUNITY HIGHER ED - GIVING](#)).

COMMITMENT TO THE COMMUNITY

At Clary, we're all about giving back. Our employees and students are passionate about giving their time and resources to the needs of the community we serve.

We believe that giving back is about more than financial contributions -- it's about giving time and showing love to the community we call home by lending our skills and talent.

Students have the opportunity to give back through on-campus community events like **Cuts for Kids** and **Scary Sage**, and through class-sponsored field trips throughout their program.

SECTION / Community HigherEd - Giving

MISSION STATEMENT

The mission of Community HigherEd is to advance the purpose of Community Care College, Clary Sage College, and Oklahoma Technical College through active engagement, advocacy, fundraising and stewardship.

As a private, nonprofit college, the mission of the college is to transform lives and contribute to society by providing career-focused higher education opportunities that empower students to obtain successful employment, develop leadership skills and serve their communities.

WHY SHOULD I GIVE?

Donations like yours are an investment in improving lives through quality education. The power of education has a far-reaching impact on our community, playing a part in increasing property values, attracting jobs to our local community, and improving commerce, as graduates get better jobs, have more spending power, and a greater impact in their communities.

As a private school, we are held to, and proud to say we meet and exceed, higher performance standards than traditional, state colleges and universities. Because we are not eligible to benefit from national and state allocations for education as a private institution, we count on donations like yours to ensure we are able to meet the needs of our students as they take the steps to advance their careers and change their lives.

HOW CAN I GIVE?

Visit our non-profit website, CommunityHigherEd.org, for full information on giving.

Shopping online? You can allocate a portion of every dollar you spent to go to Community HigherEd through Amazon Smile ([link](#)).

SECTION / History

HISTORY

Our founder, Teresa Knox, is passionate about career education. A former Dental Assistant herself, Teresa understands the power of career training and opened our main campus, Community Care College, in 1995 to effect the same positive change she experienced in others.

Grown far beyond Teresa's initial dream of educating future Dental Assistants, Community Care College now offers 13 career disciplines in healthcare, business, and paraprofessional fields. The success of Community Care College led to the launch of two additional campuses, Oklahoma Technical College, focusing on technical skills like Automotive Technology and Welding, and Clary Sage College, specializing in beauty and design careers.

This is where things get really good.

Clary Sage College opened in 2006 and is one of the largest schools of its kind in the nation, offering career-oriented programs including Cosmetology, Barbering, Esthetics, Makeup Artistry, Massage Therapy, Nail Technology, Fashion, and Interior Design.

The organization's brand has built a reputation for excellence over the past twenty years. "Clary" is nationally recognized for exceptional achievement and extraordinary dedication to its culture and values.

It was the success of Clary Sage College that inspired Teresa to take her legendary entrepreneurial spirit and branch out once again, opening Clary Sage Salon & Spa in 2012.

All three colleges and the salon operate as non-profit organizations and are nationally licensed and accredited institutions.

SECTION / The Clary Experience

WHY CLARY?

- Events like **Clary Runway** that bring Tulsa's influencers to see our students' talent up close and personal - it's all hands on deck for this one with Fashion, Cosmetology, Makeup Artistry and Interior Design all pitching in to make it happen every year!
- We're Tulsa local and Tulsa loyal with a commitment to our community through giveback events like **Cuts for Kids** and **Scary Sage**. We even have our own student-led, community-driven group, **Clary Ambassadors**.
- Student recognition through programs like **Honor Roll** and **President's Club**.
- When we say hands-on learning, we mean it! All of our programs get to do seriously fun projects ... like that time the Interior Design department **recovered a couch** for *(the X competition)* or Makeup Artistry's dedication to celebrating **May the 4th Be With You** each year.
- You don't want to miss the **Fantasy Hair Competition!**
- We live by our CARES Culture, which means we practice Courtesy, Accountability, Respect and Excellence and are dedicated to the Success of our students.

LOOK WHO'S TALKING CLARY

Our standout faculty is here to guide our students with excellence and innovation every day, but we know sometimes it's fun to hear from someone else, especially when it's someone like world class cosmetology educator Sam Villa or film and fashion makeup artist James Ryder! Here are just a few industry leaders who have taken the time to speak to our students, whether in-person or via special Skype sessions.

PROGRAM - BARBER

Overview

Learn the art of the straight razor shave, beard design and men's and women's haircutting. Barbering is all about precision cutting and style. It's a way of life, barbers don't just give haircuts, they give confidence. Our students learn to master it all -- cuts, chemical treatments and shaves -- both in the classroom and in our on-campus barbershop that sees real clients from the community. Are you ready to join the #barberlife community?

Outcome

This program prepares students for the Oklahoma State Board of Cosmetology and Barbering Licensing Exam and is offered as a degree (AOS) or diploma program.

What Will I Learn?

- Barbering Services, including:
 - Haircutting
 - Styling
 - Chemical Processes
 - Color Application
 - Straight Razor Shaves
 - Beard Trimming and Facial Hair Maintenance
- State Rules and Industry Regulations
- Sterilization and Sanitation Processes
- Customer Service Skills
- Management Skills

When Can I Start?

Weekly.

Financial Aid

Financial Aid and Scholarships are available to those who qualify. Do you qualify? Learn more here. ([link to Financial Aid page](#)).

Career Opportunities

Whether you want to find work in an existing shop or start one of your own, our Career Services team is here to help you with resume building, networking and interviewing while you're still in school and after you graduate!

PROGRAM - COSMETOLOGY

Overview

A career as a cosmetologist is exciting, creative and constantly evolving. At Clary, our goal is to have your experience in school match the same energy of the industry.

The Cosmetology program will teach you to master today's trends in haircutting, coloring and design for all hair types through curriculum designed to equip you with the skills necessary to obtain licensure through the Oklahoma State Board of Cosmetology and Barbering.

We make sure you graduate with a well-rounded education in all areas of the beauty industry including haircuts, color, style, makeup applications, manicures and pedicures, and skin care treatments. After learning the essentials in the classroom, students begin taking clients on the salon floor, offering all of these service and gaining real-world, practical experience under the guidance of seasoned industry professionals.

As a student, you will also have the opportunity to use your skills during community giveback events like Cuts for Kids and Scary Sage, and portfolio-building events like Clary Runway and the Fantasy Hair Competition.

Outcome

This program prepares students for the Oklahoma State Board of Cosmetology and Barbering Licensing Exam and is offered as a degree (AOS) or diploma program.

What Will I Learn?

- Haircutting
- Color Application and Correction
- Heat Styling
- Beauty Makeup Application
- Special FX Makeup Application
- Manicures/Pedicures
- Skin Care
- Guest Services
- Product Knowledge

Financial Aid

Financial Aid and Scholarships are available to those who qualify. Do you qualify? Learn more here. ([link to Financial Aid page](#)).

Career Opportunities

Cosmetologists can find work as stylists or in specialized fields. So, whether you want to own your own business, find work in an established hair, nail or skin care salon or if you want to work in the entertainment industry as a hair or makeup artist, a cosmetology education can get you there! Our Career Services team is here to help you with resume building, networking and interviewing while you're still in school and after you graduate.

PROGRAM - ESTHETICS

Overview

Esthetics is all about skin care, from health and renewal to beauty and makeup.

Our curriculum covers theory, anatomy, biology, ingredient technology and product knowledge, so you won't just know *how* to do something, but also why it works, better preparing you to help your clients when you're in the field.

Hands-on training is provided in our on-campus Esthetics Spa where, after mastering theory in the classroom, you will be able to perform services like facials, eyelash extensions, eyebrow tinting, airbrushing, waxing, microdermabrasion, scrubs, wraps and chemical treatments on clients.

Outcome

This program prepares students for the Oklahoma State Board of Cosmetology and Barbering Licensing Exam and is offered as a diploma program.

What Will I Learn?

- Skin Analysis and Facials
- Makeup
- Hair Removal
- Body Treatments
- Biology for Estheticians
- Chemistry and Ingredients

Career Opportunities

Licensed Estheticians can work in beauty or medical spas, in product development or as beauty consultants. Our Career Services team is here to help you with resume building, networking and interviewing while you're still in school and after you graduate!

PROGRAM - FASHION DESIGN

Overview

Fashion is about more than clothes, it's about originality and self-expression and takes true artistry. Fashion Design is an artistic and innovative industry where you can channel your creative energy into a career.

The Fashion Design program at Clary will take you from concept to completion, teaching you the process of every step on the path to production including sketching, sewing, pattern design and construction.

Designing your own clothing line is built into the curriculum, right along with industry essentials like Merchandising and Retail Management.

Outcome

The Fashion Design program is offered as a degree (AOS) or diploma program.

What Will I Learn?

- Fashion Sketching
- Clothing Construction
- Apparel Production
- Patternmaking
- Fashion Accessory Design
- Fashion Business

Career Opportunities

A degree in Fashion can take you in many different directions as a fashion designer, costume designer, stylist, visual merchandiser or even as in fashion journalism as a critic or commentator. Our Career Services team is here to help you with resume building, networking and interviewing while you're still in school and after you graduate!

PROGRAM - INTERIOR DESIGN

Overview

At Clary, we believe that good design is where art meets function. Through our Interior Design program, you will gain the knowledge and skill to address the functionality, safety and quality of interior spaces while learning to craft your own aesthetic vision from concept to reality.

Curriculum is hands-on with no busy work in sight! Every project and assignment is designed especially to prepare you with the skills needed to enter the workforce as a designer.

The program is carefully balanced, pairing the fun, exciting aspect of hands-on design with the necessary knowledge, research and logistics

Outcome

The Interior Design program is offered as a degree (AOS) or diploma program.

What Will I Learn?

- Residential and Commercial Design
- Drafting for Interior Design
- Color Theory
- Lighting
- Furniture Design

Career Opportunities

Interior Designers can work in residential or commercial space design, set design, furniture design and as interior decorators. Our Career Services team is here to help you with resume building, networking and interviewing while you're still in school and after you graduate!

PROGRAM - MAKEUP ARTISTRY

Overview

If you have an eye for design, flair for the dramatic, a pop culture obsession or Hollywood dreams, makeup is your lane.

The Makeup Artistry program will guide you through all aspects of the industry, from beauty and event makeup to prosthetics and special effects.

We place an emphasis on professional development and portfolio building and with events like Scary Sage, Clary Runway and the Fantasy Hair Competition, you will have many opportunities to perfect that portfolio-worthy work and put your skills to good use while still in school.

Outcome

This program prepares students for the Oklahoma State Board of Cosmetology and Barbering Licensing Exam and is offered as a diploma program.

What Will I Learn?

- Makeup for Photography and Film
- High Fashion Makeup
- Airbrushing
- Prosthetics
- Special FX Makeup
- Basic Hairstyling
- Business and Marketing for Makeup Artists

Career Opportunities

Whether you want to work in a salon, or behind the scenes in film, television and stage shows, a career in makeup can get you there. Our Career Services team is here to help you with resume building, networking and interviewing while you're still in school and after you graduate!

PROGRAM - MASSAGE THERAPY

Overview

Massage Therapists have an important role in the growing fields of preventative healthcare and wellness. Our Massage Therapy program is aimed at providing future therapists training to provide clients relief from pain and stress.

Curriculum covers master proficiency in traditional Swedish massage and other modalities including sports massage, pregnancy massage, hydrotherapy, reflexology, aromatherapy, deep tissue massage and East Asian spa treatments.

The program will also provide a well-rounded view of anatomy and physiology of the body as it relates to soft tissue injury and treatment.

At the end of the program, students complete an internship at our on-site massage clinic where they will be able to take clients under the supervision of licensed professionals.

Outcome

LICENSING INFO HERE and is offered as a degree (AOS) or diploma program.

What Will I Learn?

- Core Massage Modalities like Swedish Massage, Deep Tissue Massage, Sports Massage, and Reflexology
- How the Body Works
- Industry Trends

PROGRAM - MASTER INSTRUCTOR

Overview

Already got the skills? Consider passing them onto the next generation of stylists.

The Master Instructor program teaches the finer points of a career in education for the beauty industry. You will be trained to teach cosmetology, barbering, esthetics and nail technology, as well as how to supervise all areas essential to a cosmetology school, like dispense, retail, clinic floor and appointment booking.

In the program, you will develop lesson plans, learn presenting techniques and have the opportunity to observe and assist our faculty in a variety of classrooms and get to teach and interact with students from all disciplines.

Outcome

This program prepares students for the Oklahoma State Board of Cosmetology and Barbering Licensing Exam and is offered as a diploma program.

Events

Let's talk about **Clary Runway** for a second. Not only is it our biggest fundraising event of the year, but our Fashion Design students take center stage! Students work throughout the program to develop a collection to show during the Runway show that invites Tulsa influencers to see what we're doing as a school up close and personal. The best part? It doesn't just stop at Fashion. Our Cosmetology and Makeup Artistry students are hard at work behind the scenes, prepping models to ensure they look their best on the catwalk, while Interior Design students ensure the event's aesthetic vision is executed with excellence.

Community Giveback

Cuts for Kids

With a note about Ambassadors and other field trips.

Special Projects

All of our programs get to do crazy, fun projects - like that time the Interior Design department **recovered a couch** for (the X competition) or Makeup Artistry's dedication to celebrating **May the 4th Be With You** each year.

But perhaps our favorite time on campus is the **Fantasy Hair Competition**, a special event where Phase II and III Cosmetology students are put on a clock and let their imaginations run wild executing with prompts ranging from Dr. Seuss to Winter Wonderland to Super Bowl Sunday!

From Puja:

Well, at least that's what our students, graduates, and community thinks! (link to three separate testimonials)

As a private school, we are proud to say we meet and exceed exceed the high higher performance standards of national and regional accrediting and regulatory bodies. Our student outcomes, like graduation, placement, and student loan default rates, show our dedication to excellence and quality. While our student outcomes surpass those of traditional state colleges and universities, we ahiger standards than those for traditional state colleges and universities, and proud of our surpassing outcomes, as a private institution, we do not receive government funding from but we are not eligible for financial support from national and state allocations for education. We count on donations like yours to meet the needs of our students as they take steps to advance their careers and change their lives.
